Lost in Us (Book 1) Serena has learned to live with her past, locking her secrets and nightmares deep inside her. But when her boyfriend of six years abruptly leaves her, she’s catapulted back into pain, nursing a broken heart. When indulging in mountains of chocolate doesn’t work, Serena decides the best way to deal with her shattered heart is to indulge in something else. A rebound ... The night she swaps her usual Sprite for tequila, she meets James. The encounter is breathtaking. Electrifying. And best not repeated. James is a successful entrepreneur in Silicon Valley. A man who has amassed a fortune by taking risks. A man who has shunned commitment completely, and still does. He’s the exact opposite of Serena. But sometimes opposites attract. Sometimes they give in to burning passion. Sometimes opposites are perfect for each other. James is everything her damaged soul could want. His kisses are intoxicating, his touch out of this world. He makes her forget. He grants her peace from her pain. But as they grow closer, Serena discovers she isn’t the only one with a past. James carries the scars of a past much darker than hers. One that has left him damaged, hurt, and wary of love.

A past that gives him the power to shatter her. Now James and Serena must find a way to mend one another. Or risk losing each other forever. Found in Us (Book 2) Jessica Haydn wants to leave her past behind. Hurt by one too many heartbreaks, she vows not to fall in love again. Especially not with a man like Parker, whose electrifying pull and smile bruised her ego once before. But his sexy British accent makes her crave his touch, and his blue eyes strip Jessica of all her defenses. Parker Blakesley has no place for love in his life. He learned the hard way not to trust. He built his business empire by avoiding distractions, and using sheer determination and control. But something about Jessica makes him question everything. Not only has she a body made for sin, but her laughter fills a void inside of him.

The desire igniting between them spirals into an unstoppable passion, and so much more. Soon, neither can fight their growing emotional connection. But can two scarred souls learn to trust again? And when a mistake threatens to tear them apart, will their love be strong enough?

Caught in Us (Book 3) Dani has her future all planned out. She's not the type to fall for a bad boy, no matter how panty-melting his grin is or how shamelessly he flirts. But something about Damon draws her in, awakening a desire she's never felt. Slowly, she uncovers the secrets Damon hides: underneath his arrogance lies a tortured soul, his flirting smile masks despair. Damon arrives in Dani's life against his will. Carrying the scars of a dark past and facing an uncertain future, he knows he should stay

away from her, but can't. Her innocence consumes him, as does the desire to indulge in the passion igniting deep inside her. An all-consuming bond blooms into a reckless love. But when mistakes from the past threaten their already fragile future, can their love survive? *This series is recommended for 18+ due to romance and sex and mature themes.*
