

The Godmother Spell (The Fairy Godmother Chronicles) (Volume 1)

Despite her mothers objections, all Lyndeas ever wanted was to become a fairy godmother. But once shes bonded to two goddaughters, she realizes that godmotherhood is much more than granting wishes. Not only does she have to protect the girls from an evil fairy bent on destroying Lyndeas career before it begins, she has to deal with an overzealous overseer named Gavin. Not that she minds Gavin so much - hes gorgeous; he just happens to make things worse when he tries to help.
