

Tackled by the King: A Bad Boy Sports Romance (Stand Alone Novel)

This is the complete Steamy Sports Romance Novel Tackled by the KING. This is not a football-heavy story, so if you're not into sports, don't worry! It's light on the sports and heavy on the steam! Includes for Limited Time Only - a generous preview of the Stand Alone Novel CHASED, Book 1 of the Billion Dollar Tango Series and Book 1 of the Billionaires Stranglehold Series. When Carrie Toussaint's parents perished in a car crash, her life was thrown off course and set in a completely different direction. She was barely even given a chance to cope with her parents' death when she realized that her 16-year-old Jamie, was pregnant. Compelled to take the reins of what was left of her family, Carrie worked tooth and nail to help provide for her nephew, Jackson. To make matters worse, little Jackson is a sickly child, and is constantly in need of medical attention. Now, at 26, she is still on the constant struggle to pick up the pieces of her loved ones. A journalist at The Daily Dirt, she also feels as if her career has plateaued. Tired of penning meaningless articles about celebrity gossip, her seemingly aimless job, and the endless bills trickling in, Carrie longs for a change of pace. So when her boss offers her a project on the Detroit Daggers, particularly on Kingsley Kelly, the all-star quarterback, a reluctant Carrie agrees, desperate for a chance to prove herself. Kingsley Kelly, on the other hand, is on top of the world. The 29-year-old superstar ranks as one of the top 5 highest-paid athletes

in the nation and is one of the most coveted players in the industry. On top of that, the sinfully handsome man is a magnet for the ladies, with scandal tailing him every chance it gets. When Carrie meets Kingsley, the complete opposites are about as compatible as rubber and glue. Yet as much as they clash with each other, the intense sexual tension between them is undeniable. But a man of Kingsleys status comes with baggage – a lot of it. Little does Carrie know, the handsome footballer harbors a secret much more grave than forbidden women. It is one scandalous enough to potentially end his career. But as Carrie knows, life has a knack for blinding you with unexpected punches... Stand Alone Novel with HEA and NO Cliffhangers
