

# Love and Respect: The Love She Most Desires; The Respect He Desperately Needs

A Marriage Book with a Difference! A Revolutionary Message™ I've been married 35 years and have not heard this taught. This is the key that I have been missing. You connected all the dots for me. As a counselor, I have never been so excited about any material. You're on to something huge here. A Simple Message A wife has one driving need to feel loved. When that need is met, she is happy. A husband has one driving need to feel respected. When that need is met, he is happy. When either of these needs isn't met, things get crazy. Love and Respect reveals why spouses react negatively to each other, and how they can deal with such conflict quickly, easily, and biblically. A Message That Works Based on over three decades of counseling, as well as scientific and biblical research, Dr. Emerson Eggerichs and his wife, Sarah, have already taken the Love and Respect message across America and are changing the way couples talk to, think about, and treat each other. What do you want for your marriage? Want some peace? Want to feel close? Want to feel valued? Want to experience marriage the way God intended? Then why not try some Love and Respect.
