

Blind Date With A Bear (A BBW Paranormal Romance) (A Blackwood Brothers Book Book 1)

Bear and Bear Alike now available - Ryker and Rylands Story Dont miss the continuation of Quinn and Paiges bumpy romance in Paiges Bossy Bear When Quinn Blackwood thought it was time to go hunting for his mate, he couldnâ€™t believe fate handed her to him on his very first blind date. His family thought it was an hilarious turn of events since the big bear shifter had been looking forward to sowing a few more wild oats before settling down with his one true mate. No one was laughing when Paige got the wrong idea and believed Quinn was just looking for a good time. Paige Matthews had finally given into the cajoling of her co-worker and agreed to a blind date with the womanâ€™s brother. Paige admired the family of bear shifters and had nursed a secret crush on the oldest Blackwood brother, Quinn, since moving to town. Even though sheâ€™d known the odds were against it, she was terribly disappointed that she wasnâ€™t his true mate. She did however, decide to take him up on his offer of a good time, cause this good-girl craved the bearâ€™s sweet loving. This story contains adult situation and explicit language.
