

Summer at Oyster Bay: A heart-warming summer romance

Summer at Oyster Bay is the perfect, feel-good summer romance, about the importance of home and family, learning what love is, and living in the here and now. They say falling in love is easy. But what if you know itâ€™ll break your heart? For Emily Tate, returning to her charming childhood home Oyster Bay is like coming up for air after the fast pace of her city life. At the farm her grandfather built, surrounded by sister Rachelâ€™s chatter, Gramâ€™s butter biscuits and the soft, white sand, Emily is reminded exactly who she is and what she holds most dear. When Emily starts work at elegant Waterâ€™s Edge Inn, Charles Peterson, the handsome new owner, asks for her help. He wants to expand and needs Emily to teach him the local ways, so he can convince the planning commission. Emily vows to make him fall in love with her hometown, just the way it is. At work, Charles is reserved and serious, yet once Emily has him kicking off his shoes in the sand and sailing across glistening Chesapeake Bay, she sees another side to him, and their easy rapport feels like the start of something big. But when it becomes clear Charlesâ€™ plans for the inn involve bulldozing Oyster Bay, Emily is heartbroken. Will she lose her home and Charles all at once, or can she save Oyster Bay, and give true love a chance?
