

Breakout (The Dred Chronicles)

All hell is breaking loose in the edge-of-your-seat follow-up to Havoc and Perdition from New York Times bestselling author Ann Aguirre. The prison ship Perdition has become a post-battle charnel house with only a handful of Dred™ soldiers still standing and now being hunted by Silence™ trained tongueless assassins. Forging an uneasy alliance with mercenary commander Vost™ who is their only chance at escape™ the Dread Queen will do whatever it takes to end her life sentence on Perdition and keep the survivors alive long enough to cobble together a transport capable of getting them off station. If Dred and her crew can win the deadly game of cat and mouse, the payoff is not only life but freedom™ a prize sweeter than their wildest dreams. Yet the sadistic Silence would rather destroy Perdition than let a single soul slip from her grasp.
