

THE THREE MUSKETEERS (Annotated) (The dArtagnan Series Book 1)

The Three Musketeers (Les Trois Mousquetaires) is a novel by Alexandre Dumas, père. It recounts the adventures of a young man named dArtagnan after he leaves home to become a musketeer. DArtagnan is not one of the musketeers of the title; those are his friends Athos, Porthos, and Aramis—“inseparable friends who live by the motto, One for all, and all for one. The story of dArtagnan is continued in Twenty Years After and The Vicomte de Bragelonne. Those three novels by Dumas are together known as the DArtagnan Romances. The Three Musketeers was first published in serial form in the magazine Le Siècle between March and July 1844.
