

# The Wait: A Powerful Practice for Finding the Love of Your Life and the Life You Love

Hollywood power couple DeVon Franklin and Meagan Good candidly share about their courtship and marriage, and the key to their successâ€”waiting. President/CEO of Franklin Entertainment and former Sony Pictures executive DeVon Franklin and award-winning actress Meagan Good have learned sometimes all we can do is wait for â€œthe oneâ€• to come into our lives. They spent years crossing paths but it wasnâ€™t until they were thrown together while working on the film *Jumping the Broom* that their storybook romance began. Faced with starting a new relationship and wanting to avoid potentially devastating relationship pitfalls, DeVon and Meagan chose to do something almost unheard of in todayâ€™s societyâ€”abstain from sex until they were married. In *The Wait*, DeVon and Meagan share the life-changing message that waitingâ€”rather than rushing a relationshipâ€”can help you find the person youâ€™re meant to be with. Filled with candid his-and-hers accounts of the most important moments of their relationship, and practical advice on how waiting for everythingâ€”from dating to sexâ€”can transform relationships, allowing you to find a deep connection based on patience, trust, and faith.
