

## Fairytales Slashed: Volume Four (Volume 4)

ometimes taking a chance on a stranger is worth the risk... The Fairys Assistant (Sasha L. Miller) is a stranger wherever he goes, except to the knight determined to capture him once and for all. The Prince of the Moon (Megan Derr) desperately seeks to break the curse on his kingdom, but will the stranger who arrives to help him prove to be only a hindrance? In Learning to See (Julia Alaric) a man saves his family by sacrificing everything to a stranger in a mysterious castle. Cinder-Elle (Mell Eight) lost his birthright alongside his vision, and his dreary days are brightened only by a man he met by chance in the marketplace, a man about whom he knows very little ... and in Capture the Moon (J.L. Merrow), a woman who leaves home in the guise of a boy to see what the world has to offer.
