

Mafia: A Collection of Dark Love Stories

Save 30% by buying the collection instead of the individual titles. Meet Patrick, Shane, Cormac, and Alexei. They're an integral part of their city and intimately involved with the mafia. Only one thing can weaken such powerful men, and it comes in the feminine form of the women who bring them to their knees. If you don't like possessive, over-the-top alphas with control issues, this might not be the collection for you. If you enjoy reading about alphas who fall crazily, desperately, and obsessively in love, prepare to meet these men of the Mafia.
