

Holding On: #2 (Road House)

Iris wants nothing more than a simple, quiet life until she meets ex-Navy SEAL Luc. The sexy motorcycle mechanic ignites a hidden passion in her, but his hot and cold attitude leaves her frustrated and confused. She needs a man who is willing to put it all out there. Luc was burned in the past by his fiancée. Physically scarred and emotionally torn, Luc struggles to make his heart meet up with what is in his head. But Iris isn't going to take no for an answer, even if that means she has to break out of her shell. Both Iris and Luc can only begin to heal once they stop dwelling in the past and start holding on to each other. This is a short story (approximately 17,000 words/50 pages). This is the second in the Road House Series but can be read as a stand-alone story.
