

# Ideological and Social Patterns of Tolerance and Peace Seeking: in the Balance Theory of Ayatollah Sayyid Ismaeel al-Sadr

The religious authority, Ayatollah Sayyid Hussain Isma'eel al-Sadr, declares that, "Prophet Muhammed is the gift of Allah and His mercy to all people: We have sent you only as mercy to the worlds." He is the liberator of mankind, the greatest messenger, Muhammed, peace and blessings of Allah with him and his Progeny, the one who liberated mankind from ignorance, superstition and the hegemony of tyrants. He taught us how we should live free, that freedom belongs to all when he said, "People are equal like the comb's teeth" and "None of you attains conviction (iman) unless he loves for his brother what he loves for himself."
