

How to experience God without religion: A pragmatics guide to encountering the Divine in seven basic steps

Curious about how you can experience God without having to leave sanity behind? In this short, no-nonsense book, World Religions specialist Denis Poisson gets straight to the point giving you simple techniques by which anyone can encounter the Divine, without taboos, or leaps of faith. The methods shown here are the same methods that have been used by religions for millennia, only they have been stripped of their obscure, symbolic language and mystique while their simple, beautiful biological and psychological origins are exposed in a way that anyone can understand. Now you too can have a religious experience without the religion, in seven simple accessible steps that anyone can follow regardless of what you believe (or don't™).
