

Chasing the Fire (Hidden Cove Firefighters series Book 6)

NEW YORK TIMES bestselling author Kathryn Shay spent five years riding fire trucks with a large city fire department, eating in their firehouses and interviewing hundreds of Americas Bravest. Read the firefighter romance novels that resulted from her intense relationship with firefighters!

“These three stories were well written and kept your attention. I could not put it down. I definitely recommend this series.”

Backdraft: Firefighter Riley Gallagher must come to terms with his disgraced father before he can be happy with the love of his life. But has he already missed the chance to claim a future with Firefighter Jane Phillips?

Fully Involved: Lisa Beth Duncan, firefighter and paramedic, swore she’d never allow her ex-husband into her heart again. But when Linc Roberts moves to Hidden Cove and pursues her, she finds herself breaking her own rules.

Flashover: Captain Nick Evans believes he committed the worst of crimes, even if it was to protect his little sister. Hes not ready for a relationship with Stacey Sterling, a firefighter’s widow who’s determined to help him heal.

Reader Praise for CHASING THE FIRE: “This book has one of my favorite stories, of Dr. Linc Roberts and paramedic Lisa Beth Duncan, maybe because I have a medical background. The story of their reunion and reconciliation is one of my favorites. I have read and re-read this over and over.”

“Could not put my tablet down! Read all the books and novellas in the series. Absolutely

awesome! Worth every penny and then some. I've read all of Shays firefighter tales and enjoy them immensely even though they make me cry sometimes. She tackles some pretty heart wrenching topics in a very down to earth and readable way. Makes you laugh, cry and be a part of the story. Perfect writing.
