

Orange Blossom Cafe: Christian Contemporary Romance novella (American State Flower)

What happens when a new restaurant opens right next door to your café? Sabotage it, of course! Well, that's what Aiden O'Connell thought until she tangles one too many times with the charismatic Phillip Moreau. Between their wild run-ins and her new craving for caramels, Aiden may have finally met her match. Recipe for a Witty Romantic Tale Take one stubborn-minded heroine. Add a serving of spice with one flirty hero, who has no trouble holding his own against her feistiness. Mix in hilarious sabotages that slightly miss the mark and an amusing dash of mischief. Don't forget to resolve the angst with an anticipated kiss. Recipe Tip: Be sure to balance the portions of tension and chemistry in order to whip up the sweetest, love-inspiring result.
