

Is God Saying Hes The One?: Hearing from Heaven about That Man in Your Life

IS THAT SPECIAL MAN YOUR HUSBAND TO BE? Maybe youre a single Christian woman in need of sound relationship advice. Youre over the whole casual dating scene. Youre getting serious about finding The One. Youre looking for a match made in heaven. You might find yourself asking these questions: Will God help me find a husband?How do I know if that man is really The One?Is that man Im seeing really Gods best for me?Will my best friend guy ever see me that way?Do any of these questions frequent thoughts and prayers?Â You may be wondering if the answers youre hearing really are from heaven and, if so, what to do about it. If you need advice for navigating Christian relationships and mate seeking, youll find it in this book. Are you a single woman who makes finding your soulmate a priority? Want to know if that male best friend will ever fall in love with you? IS GOD SAYING HES THE ONE? will help you to define the relationship.Â Having trouble breaking up or getting over the wrong guy? You may finally hear from God about whether or not that man is truly The One for you. If you find yourself single and searching for a husband, or hopeful about a particular mans potential in your life, then this is the relationship advice book for you. If you counsel single women about their dating relationships, this book could serve as an effective guide for one-on-one conversation as well as group discussion and study. Bible based, candid, and accessible, Susan Rohrer

illustrates this book with inspirational true life stories as she explores commonly asked questions about what may be one of the most important decisions in a Christian womans life. Are you interested in hearing Gods voice about how to find a husband? Do you like Christian mate seeking, dating and relationship ebooks? Having trouble getting over a boyfriend or knowing how to find Gods best? Looking for Biblical dating and relationship advice or inspirational nonfiction for Women? If your answer is yes to any of these questions, this book is recommended especially for you. CHAPTERS
