Psst! I've got a secret and I want to share it. If you join my reader's group I'll send you Pay Back, the second book in my Lovers and Other Strangers series, and the Lovers and Other Strangers series: The Short Stories free. To sign up all you have to do is go to www.lcgiroux.com you can find all of my books listed there along with longer excerpts. Hope to see you soon! The first three books in the Lovers and Other Strangers Series, His Lady Godiva, Pay Back, His Deception plus the bonus short story Wild Child. These stories all take place in and around Boston, a city that I love, before the series moved to the Southwest. His Lady Godiva: Michael Dennison is a brilliant surgeon and a broken man. Violet Bellows has the power to make him whole if only hell surrender his fear. Together they will discover facets of themselves they never knew existed. Pay Back: Being auctioned off like a piece of meat was not high on Joseph Camenittis bucket list, meeting a mystery woman from his past, that he could like, a lot. Evie Tolland had spent WAY too long thinking of herself as the ugly duckling and that was going to change immediately. Hes all caveman, shes an old fashioned girl. Somethings gotta give! Wild Child: Delia Kelly had always used her head. When her friends were out messing around and spending their parent's money, she hit the books and stashed the cash she made working for Hutchinson Investigations. Now she is all grown up and she is ready to bust

loose. Jonah Hutchinson is the poster boy for lovelorn and leavem. He knew exactly what women wanted and gave it to them, as long as it wasn't polite conversations or security. One Summer Fling and both of them are in for the surprise of their lives. His Deception: Allyn Bellows was the picture of responsible respectability and worried he was growing old long before his time. The only woman he loves is the one woman he can never have. Marie-Hélène Girard was the merry trickster of the family but she has kept a secret in her heart for far too long. It all starts with a little deception, but the question is, who is deceived more.
