

# The Hidden Words

A collection of lyrical, gem-like verses of scripture that convey timeless spiritual wisdom clothed in the garment of brevity, *The Hidden Words* is one of the most important and cherished scriptural works of the Bahá'í Faith. Revealed by Bahá'u'lláh, the founder of the religion, the verses are a perfect guidebook to walking a spiritual path and drawing closer to God. They address themes such as turning to God, humility, detachment, love, to name but a few. These verses are among Bahá'u'lláh's earliest and best known works, having been translated into more than seventy languages and read by millions worldwide. This edition will offer many American readers their first introduction to the vast collection of Bahá'í scripture.
