

The Matheny Manifesto: A Young Managers Old-School Views on Success in Sports and Life

“Nothing worth doing right is easy.” Mike Matheny. Mike Matheny was just forty-one, without professional managerial experience and looking for a next step after a successful career as a Major League catcher, when he succeeded the legendary Tony La Russa as manager of the St. Louis Cardinals in 2012. While Matheny has enjoyed immediate success, leading the Cards to the postseason three times in his first three years, people have noticed something else about his life, something not measured in day-to-day results. Instead, it’s based on a frankly worded letter he wrote to the parents of a Little League team he coached, a cry for change that became an Internet sensation and eventually a “manifesto.” The tough-love philosophy Matheny expressed in the letter contained his throwback beliefs that authority should be respected, discipline and hard work rewarded, spiritual faith cultivated, family made a priority, and humility considered a virtue. In *The Matheny Manifesto*, he builds on his original letter by first diagnosing the problem at the heart of youth sports’ hint: it starts with parents and coaches and then by offering a hopeful path forward. Along the way, he uses stories from his small-town childhood as well as his career as a player, coach, and manager to explore eight keys to success: leadership, confidence, teamwork, faith, class, character, toughness, and humility. From “The Coach Is Always Right,

Even When Heâ€™s Wrongâ€•
to â€œLet Your Catcher Call the
Game,â€• Mathenyâ€™s
old-school advice might not
always be popular or politically
correct, but it works. His
entertaining and deeply
inspirational book will not only
resonate with parents, coaches,
and athletes, it will also be a
powerful reminder, from one of
the most successful new
managers in the game, of what
sports can teach us all about
winning on the field and in life.
