

The Complete Dictionary of Accounting and Bookkeeping Terms Explained Simply

Accounting and bookkeeping can quickly become the bane of any new business, providing a great deal of headache and problems for even the most seasoned and technically proficient business owners. Hiring an accountant for your small business can cost anywhere between \$1,000 and \$10,000 – an expense many cannot afford – and trying to memorize the hundreds or even thousands of terms necessary to understand the complex world of bookkeeping can seem altogether too daunting to undertake. Yet, for those that do master their own bookkeeping, those thousands of dollars can be saved and reinvested in your business immediately. This book was written for every small business owner who feels they do not have a full grasp of what they are doing with their profits, expenses, payroll, and taxes and would like to take more control of them. You will learn every possible method you need to understand and speak the language of your accountant and bookkeeper or to take over the process yourself. Learn the hundreds of necessary terms and the methods used by these two fields. Learn the different abbreviations used in the industry and what you will need to properly use this book, from the proper times to use terminology to the effective means by which to fill out your tax forms, records, and other forms. The Complete Dictionary of Accounting and Bookkeeping Terms will give you the knowledge to help you understand the complex world of bookkeeping and take control of your finances today.

Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed. This Atlantic Publishing eBook was professionally written, edited, fact checked, proofed and designed. The print version of this book is 290 pages and you receive exactly the same content. Over the years our books have won dozens of book awards for content, cover design and interior design including the prestigious Benjamin Franklin award for excellence in publishing. We are proud of the high quality of our books and hope you will enjoy this eBook version.
