

The Subject Tonight Is Love: 60 Wild and Sweet Poems of Hafiz (Compass)

To Persians, the fourteenth-century poems of Hafiz are not classical literature from a remote past, but cherished love, wisdom, and humor from a dear and intimate friend. Perhaps, more than any other Persian poet, it is Hafiz who most fully accesses the mystical, healing dimensions of poetry. Daniel Ladinsky has made it his life's work to create modern, inspired translations of the world's most profound spiritual poetry. Through Ladinsky's translations, Hafiz's voice comes alive across the centuries singing his message of love.
