\*\* Three full-length #1 bestselling novels from Louise Marley in one box set \*\* WHY DO FOOLS FALL IN LOVE? She was supposed to keep him out of trouble! When Shelby Roberts is forced to resign from the police, the only work she can get is as a "minder"™ to movie star Luke McFadden. Still, spending three weeks on location in the historic city of Bath doesn't™t sound too bad. After all, how much trouble can one actor get into? SMOKE GETS IN YOUR EYES After the chaos of her childhood, all Caitlin ever wanted was a secure family life. Children, of course, and a husband who loved her - it wasn't™t much to ask. But on the day she learns she's™ pregnant, she discovers her hotelier husband, Hugh, in bed with Amanda. And guess what? Amanda is pregnant too. Before Caitlin can decide what to do next, Hugh is killed in a mysterious fire - but her troubles are just beginning. Hugh had taken out extra insurance before he died, the fire was started deliberately and the police are eyeing her up as their number one suspect. But just when Caitlin really feels her life cannot get any worse, fate has another nasty shock in store. A GIRL'S™ BEST FRIEND Are diamonds really a girl's™ best friend? Danielle van der Straaten certainly thinks so. Her boyfriends cheat on her, her sister drives her mad and her father only wants to see her married with children, despite all the work she's™ put into the family jewellery business. Diamonds are

the only thing she can rely on. Her sister, Isabel, doesn't care about diamonds, provided she has something sparkly to wear to a party and a gorgeous man to dance with. Life is for living and having fun. Jemma Stortford can no longer afford diamonds and finds it hard seeing Danielle and Isabel living the life that should have been hers. When she wakes up one morning to find the handsome Nico Morales in her bed, it appears her luck has finally changed. But is Nico who he claims to be? And why is he so interested in the van der Straatens? As the three women are about to find out, sometimes diamonds aren't a girl's best friend at all! These novels are romantic suspense mixed with romantic comedy. Each book has individually been #1 in romantic suspense (Amazon UK) and Smoke Gets in Your Eyes was also #1 in romance (Amazon UK). All three have individually been Amazon Top 100 bestsellers. OTHER BOOKS BY LOUISE MARLEY: Why Do Fools Fall in Love?
