

## Castle Phantasie: Complete Series Boxed Set

Castle Phantasie makes your dreams come true, no matter how vanilla or kinky. Can Teague finally win Jakartas Trust through her submission? (BWWM) Will Dantes domination assist in Regans Recovery? Is yielding to Ians mastery enough to satisfy Serenas Sentence? This is a bundle of standalone stories, each without cliffhangers. It contains elements of light bondage in a fantasy context and is not a true BDSM title. This was previously published under a different title. All stories in the Castle Phantasie series share a common location, but each can be read independently without confusion.
