

The Koren Illustrated Haggada: A Hebrew/Russian Passover Haggada (Hebrew Edition)

The Koren Illustrated Haggada reflects two of the core goals of the Pesah seder: to participate in tradition and to derive personal meaning from a collective history. The Haggada presents the traditional Hebrew text in clear Koren Siddur Font with illustrations from the 13th century Erna Michael Haggada, now in the collection of the Israel Museum. Available in several languages, the Haggada will enrich your seder experience.
