

Gabriel (Tears of Crimson)

Throughout my endless nights I have had humans from every walk of life. All for my pleasure, they have knelt before me calling me Master. Tonight I invite you into my world of memories, but beware. I only share what is mine if it pleases me. You may enter of your own free will. Leaving however, will be at my discretion.

-Gabriel- This novella (15,000 words) can be read alone, but is part of the Tears of Crimson Vampire series. Gabriel is intended for a mature reading audience.
