

Darkness, Take My Hand (Kenzie and Gennaro Book 2)

Master of new noir Dennis Lehane magnificently evokes the dignity and savagery of working-class Boston in *Darkness, Take My Hand*, a terrifying tale of redemption. Patrick Kenzie and Angela Gennaro’s latest client is a prominent Boston psychiatrist, running scared from a vengeful Irish mob. The private investigators know about cold-blooded retribution. Born and bred on the mean streets of blue-collar Dorchester, they’ve seen the darkness that lives in the hearts of the unfortunate. But an evil for which even they are unprepared is about to strike, as secrets that have long lain dormant erupt, setting off a chain of violent murders that will stain everything – including the truth. With razor-sharp dialogue and penetrating prose, *Darkness, Take My Hand* is another superior crime novel from the author of *Mystic River*; *Gone, Baby, Gone*; and *Shutter Island*.
