

From The Star To The Cross

This book describes Stu Schlackmans lifes journey from growing up in a New York conservative Jewish home and becoming a Christian in 1984. Its his personal view of why the Jewish people were given the promised path by God for His Son the Messiah known as Yeshua or Jesus. Stu highlights his experience when he moved to Birmingham, Alabama and became as he describes a Completed Jew. His story is humorous yet serious as he backs his thoughts and beliefs with very specific scripture references.
