

Miracle at Midlife: A Transatlantic Romance

They first meet in Paris in the spring of 1996. David is a divorced American attorney living on a converted barge moored on the banks of the Seine; Roni Beth is an empty-nested clinical and research psychologist working from her home in Connecticut. Now in their fifties, both have signed off on loving again—until they meet each other. *Miracle at Midlife* tells the inspiring story of Roni Beth and David's intense and transformative transatlantic courtship. Along the way, David the loner, living amid the beauty, freedom, and pleasures of Paris, brings Roni Beth, a responsible and overextended professional haunted by earlier loss and trauma, back to her core as a woman, while she helps him reclaim connections that tie him to a larger world. They wrestle internal demons (mostly hers) and external threats (friends, family and different perspectives) as they share adventures in their respective worlds. Throughout their journey, stories of courage, joy and integrity bring hope and delight to those who wonder how romantic love appears and evolves; inspiration to people in mid-life who, knowingly or unknowingly, have completed a chapter in their lives and are ready to move on; and comfort to anyone who longs to wrestle and conquer the demons of fear, born of history or of the unknown, and win. Testimony that love is real.
