

Just Enough Light

Kellen Ryan has taken the survival skills she learned on the streets and used them to create an elite search-and-rescue operation, as well as the first home sheâ€™s known in foreverâ€™ a sanctuary in Haven, Colorado, high in the Rockies. A small mountain town was the last place Harvard-educated Dr. Dana Kingston expected to find herself. Still, when sheâ€™s offered an opportunity to partner with Kellenâ€™s operation and develop a medical triage center, Dana follows her heart. Dana falls hard and fast for the enigmatic Kellen. But she quickly realizes Kellenâ€™s heart is as carefully guarded as her past, and breaking through will take time. Except time is the one thing they may not have, because a deadly threat has returned, and this time he plans to finish what he started.
