SMOLDERING EMBERS
 “Etienne,” she heard Blake say with a chuckle as she raced up the stairs, “you’ve hired us a hellcat. Thanks.” Brittany Sinclair is no hellcat, but she does learn how to hold her own as she battles the romantic advances of the irrepressibly amusing Blake Kinkade, race car hotshot and son of her wealthy employer. Already feeling at sea among the rich, she can’t be sure when he’s just playing games, and when his attentions are for real. What she lacks in worldly experience she makes up for in courage and a quick tongue. She’s no fool. She knows a playboy when she sees one and she’s determined to resist Blake’s seductive charm, but her senses come alive under his sensual assault. She -- the minister’s daughter, passionate and proud; he -- the millionaire’s son in reckless pursuit of life... They surrender to desire. But he seems incapable of love... and she demands nothing less. **SCENES FROM THE HEART**
 True love doesn’t die---but it can go into hiding. In the beginning they lived on love and dreams. Then Hollywood success divided them... jealousy tore them further apart... distrust led to the final break. Adam left -- and Bridgette told herself she didn’t miss him. Later, the head of Bounty Studios insists that they work together. On location in Utah, they argue over how to revise Bridgette’s screenplay of a film Adam is directing. Between takes, Adam’s professional criticisms inspire Bridgette’s personal accusations.

Yet her fiery displays of temper leave Adam unruffled--- until the temptation to succumb to hot embraces breaks his self-control and they enact their own torrid love scenes under the blistering desert sun. CLAIMED BY RAPTURE Take a number, take a chance The first time their lips met, Kate Lonigan knew Mike Fleming was the man for her. It wasn't just his authoritative demeanor and incisive moves as temporary troubleshooter in her insurance office. There was something about his warm green eyes and witty banter, his playful moods and gently seductive touches, that sent shivers coursing through her. But there was another side to the man. He was in town to ferret out corruption and theft, and he seemed to have a keen interest in what she did with her time--and she has some secrets involving a famous father and an entire family of Hollywood hotshots. Soooâ€¦what were his motives? Were his caresses sincere, or part of the investigation? Will he leave her flat once his job is done? Should she listen to reason, or follow her hearts desires? Three wonderful novels of love and sacrifice from a master story teller! Enjoy them at a bargain price today!
