

## Unwanted: MacLauchlans #3 (The MacLauchlans)

His heart was made of ice... Born a nameless bastard into the Berserker horde, Finn is the measure of strength, ferocity, and brutality at the Temple of Freya. Sent to the Highlands bent on revenge and murder, he stumbles on an infant deserted in the snow. What he chooses next may seal his fate. Her life was cold and empty... Rhona McEwan has lost everything. Her husband, her child, and soon she fears she must relinquish her dignity in order to survive the bitter Highland winter. When the most fearsome, mysterious, and breathtaking man seeks the help she can give to the child in his arms, she's unable to turn them away. Even though she's not certain he's entirely human. Three of the worlds Unwanted... On a snowy Solstice night during the magical Yuletide season, their need for each other may alter their destinies forever. In the third installment of the best-selling Highland Historical Series, Kerrigan Byrne weaves a tale of blood and vengeance, of love, redemption, and the bonds that make a family.
