

# Gateway to Judaism: The What, How, And Why of Jewish Life

Gateway to Judaism delivers an engaging insider look at the mindset, values, and practices of contemporary traditional Judaism. Rabbi Becher demonstrates that Judaism today is anything but anachronistic rites and disjointed rituals. Rather, his book opens a portal to a vibrant lifestyle that brings joy and meaning to Jewish living. Based on years of answering thousands of challenging inquiries, Becher's work blends elements of Jewish philosophy and law with an intensely practical explanation of how Jews actually live.
