

Be more productive, reduce TED in the workplace.

Be more Productive Reduce Ted Ted Ted in the workplace. Attention Leaders and Managers There are a few basic principles that people may apply to their work. These principles define and address the elements of time, effort and distance. If each person in your organization understands and applies these principles to improve their work, they may save many hundreds of dollars per year. If every person is more effective in their work, the whole organization may save many thousands of dollars per year.
