

The Life of Kit Carson: (Illustrated)

I've reduced the price to \$.99 because every American should read the life of this hero. Kit Carson, though unschooled and illiterate, had the grace and valor of a fabled Knight of King Arthur. His life is told in a series of unending adventures and narrow escapes, that portray a man gifted like no other. A book that you'll probably read in one sitting, the generous illustrations will fire your imagination. Have a Look Inside and (as a word of caution) don't start reading it if you don't want to buy it! This Kindle edition has been formatted to faithfully reproduce the original 1899 edition.
