

## Crush My Heart Series Boxed Set: MMA Fighter New Adult Romantic Suspense

There isn't much I can refuse to Keats, a man who saved me from the streets and is like a brother to me. So when he asked me to protect his girlfriend's roommate, Vivian, I didn't think twice. Even if it meant missing an important negotiation for my next MMA fight. Man, barely five minutes into this assignment and I've already been assaulted. This woman sure as hell knows what she wants and I can't deny it: it turns me on. Clearly, she doesn't want anything to do with me-or Keats. But I'm a professional fighter. This is what I do: I fight. In and outside the cage. When I want something, I always get it. Vivian has no idea who she's dealing with. This is a game she doesn't have a chance of winning. When I get into a fight, I play to win. Note: this is the first book in the series. Contains explicit language and adult material. Book 1: Fighter Book 2: Warrior Book 3: Brawler Book 4: Contender Book 5: Survivor
