

First Star I See Tonight: A Novel (Chicago Stars)

A no-nonsense sports hero and a feisty female detective go head-to-head in this funny, fresh, seductive novel from the award winning NYT bestselling author known for her unforgettable characters, heartfelt emotion, and laugh out loud humor.
Hes the former quarterback of the Chicago Stars football team. She's trying to make a success of her very own detective agency. Her first job? Follow him. Lets just say its not going well. Not well at all. Piper Dove is a woman with a dream to become the best detective in the city of Chicago. First job? Trail former Chicago Stars quarterback, Cooper Graham. The problem? Graham's spotted her, and he's not happy. Which is why a great detective needs a first rate imagination. The fact is ... I'm your stalker. Not full-out barmy. Just ... mildly unhinged. Piper soon finds herself working for Graham himself, although not as the bodyguard he refuses to admit he so desperately needs. Instead, he's hired her to keep an eye on the employees at his exclusive new nightclub. But Cooper's life might be in danger, and Piper's determined to protect him, whether he wants it or not. (Hint: Not!) If only she weren't also dealing with a bevy of Middle Eastern princesses, a Pakistani servant girl yearning for freedom, a teenager who just wants to fit in, and an elderly neighbor demanding that Piper find her very dead husband. And then there's

Cooper Graham,, a legendary sports hero who always gets what he wantsâ€”even if what he wants just might be an intrepid detective hell bent on proving sheâ€™s as tough as he is.From the bustling streets of Chicago to a windswept lighthouse on Lake Superior to the glistening waters of Biscayne Bay, two people who canâ€™t stand to lose will test themselves and each other to discover what matters most.
