The Road Home: A Light In The Darkness is the true story of an incredible visitation from God that began for Phyllis Leavitt in 1994 at the darkest time of her life. Although she had prayed for Gods help, she was totally unprepared when one day, God literally spoke. There was no question that a source of Divine Love and profound Wisdom came to her as she wrote in her journal. She was taken on a startling and sometimes terrifying journey through past lives and way beyond that, to a new understanding of what all our souls are doing here in human form and where Soul wants to take us. Her personal story is one footprint on the long road we have all walked as human beings, a small opening into a vast inpouring of Light on the Road Home. The Road Home: A Light In The Darkness will open your mind to the Divine meaning and purpose of all human struggle and it will open your heart to your personal place in Gods Love and the evolution of human consciousness.
