

Secrets of a Side Bitch

Heâ€™s beautiful with gray eyes, tall, chocolate â€ and heâ€™s worth fighting for. Meet Omari â€ a gorgeous, hard working, twenty-eight year old man from the Southside of Chicago. No matter how hard he works at his job at UPS, it is never enough to take care of himself and his long-term girlfriend. After continuous pressure from his older cousin, Ching, Omari finally traded in busting his ass for working under Ching hustling three major blocks on the Westside. All is good as Omari juggles work and the drug game. That is, until Ching involves him in the murder of, who ends up being, the governorâ€™s nephew. As he dodges homicide detectives, Omari is also trying to dodge getting caught between two loves. Heâ€™s been committed to Aeysha for seven years, but is falling each day for Simone, an older more established woman who is at his every beck and call. After years of playing the side chick, Simone finally finds love that she thinks is all her own. Just as she settles into loving Omari, she finds out about Aeysha and her desperate mind begins to plot on how to finally win her man. Simoneâ€™s best friend, Tammy, thinks Simone is crazy as she herself is running from an obsessed ex-boyfriend who is persistent in trying to kill her. Tammy lives in hiding for months as she asks herself this burning question; how can a man love a woman with the same hands that he is willing to kill her with? As the murder investigation leads to arrests, the walls come down on these lovers. Murder, sex, and

indictments lead to unforeseen tragedy and unexpected love.
