

Reviled: The Serendipitous Curse, Book Two

The Serendipitous Curse: Reborn is seriously cool, and another winner for Aiden James! This time he teams up with the talented Lisa Collicutt--and what a fantastic team it is! ~J.R. Rain, Bestselling author of Moon River and Silent Echo Being haunted in Savannah Georgia--one of Americas most haunted cities--takes on an entirely new meaning when Solomon and Desiree find themselves caught in the ageless war between good and evil. Chilling discoveries await the couple summoned to Bonaventure Cemetery. Three angels disguised as the ghosts of Hoodoo priestesses are responsible for Solomons reawakening. Theyâ€™re also the ones who murdered him more than a century ago. But this second chance at life comes at a high price. While Solomon faces his past lifes sins, Desiree discovers horrific secrets of her own. And the biggest secret could be the most damning of all. Will Desiree succumb to wickedness? And will Solomon risk everything--his entire existenceâ€™to ignore the angels warnings to tread carefully and deliver Desiree from evil before her soul is lost forever?
