

LANDED! Proven Job Search Strategies for Today's Professional

A Proven Road Map for Today's Job Seeker LANDED!, Randy Hain's fourth book, offers today's job seekers proven strategies and practical ideas gleaned from his 25+ years of recruiting, executive search and senior leadership experience along with the candid insights of real candidates in transition, hiring managers and other experts in the workplace who also share their experiences and thoughts. The result is a book filled with proven approaches to help job seekers of any age or experience level quickly get on the right path towards landing a new position. LANDED! is a combination of candor, practical ideas, proven strategies and insights gleaned from professionals who have seen all sides of a job search. No matter where you are in your career or even if you have not yet joined the workforce, you will find tremendous value in Landed! as you consider how to navigate to the next job on your journey. Here is what a few readers had to say ... We all lose our jobs, or our jobs lose us, and it is time to move on. Change is never easy but with LANDED! in your hands, your odds just got WAY better. Randy Hain has seen it all, and he can share with you all you need to know to find the next great career in your life. Read it, believe it, do it! You will have no regrets. --Chester Elton, author of the New York Times best sellers, The Carrot Principle and All In LANDED! is a must-read for both senior executives and recent graduates alike who want to take their career to the next level whether they are currently in a

job or looking for the next one. Randy provides keen insights from his own experience while summarizing helpful best practices from his vast network of experienced corporate leaders, HR professionals and entrepreneurs. Take great notes because Landed! is full of tips that really work! --Tim Tassopoulos, executive vice president of operations for Chick-fil-A As a college student looking at a tough job market in a few years, I appreciate the practical lessons here. I want to find the right job and best fit for me and think this book can help. I appreciated the sections on interviewing and negotiating. Definite must read for students and anybody looking for a new job. --Brian Anthony, student at Clemson University
