FIRST LOVE When freelance computer tech Jake Landon comes to Sabrina Monroes rescue her first day on the job, the two develop a sudden attraction that neither can ignore. While Jake sets out to win her over, Sabrina is having a hard time forgetting the humiliating outcome of her last office romance and wants nothing more than to focus on her budding, new career--not the attractive IT guy. Or so she keeps telling herself. Yet, as the seductive pull of Jakes charm draws her unwittingly closer, causing tension and frustration to flare brightly between them, Sabrina is determined not to break her firm rule: never again date someone she works with. Ever. But the rules of attraction cannot be ignored, and Sabrina must decide if she is willing to release her inhibitions and give love a chance.

A wary yet determined Jake wants to bury the past and start anew. When old feelings and desires are reawakened, Sabrina struggles to keep her distance--and protect her heart. But its a losing battle shes not even sure she wants to win. With Jake determined to gain back her love, Sabrina is left longing for his trust. In a fight for all or nothing, theyll soon discover that even an imperfect love can triumph over all.
