

The Pious Woman

Al-Mar'atus - Salihah is a short treatise of Naseehat (advice and admonition) presented to Muslim women. It is the perfect wedding gift which will ensure for the bride a life of blessing and happiness if she gives practical expression to its advices which are the advices of the Qur'an and Sunnah. This compilation is not a book of rights and obligations due to a woman. It does not explain, neither sets out the Shar'i rights to which a Muslim wife is entitled. Rather, it is a treatise of advices which takes into account the prevailing unhappiness and misery in which so many marriages are floundering.
