

Love in Light and Shadow: A Snow Valley Romance

Mercedes OShay has sworn off gorgeous men because they have a tendency to break her heart. When she meets her new neighbor, Chet Bauer, she immediately puts him in the Do Not Date category based on his well-defined muscles and stunning blue eyes. But the more Mercedes learns about the cowboy who reads classics and forges iron, the more she realizes the heart doesnt see in black and white; it sees light and shadows.
