

Two Tutor Doves

Robert Townley prides himself as an efficient and indispensable valet to Phillip, Duke of Bartlett. But when Robert is coerced into teaching the poor children at the duchess chapel school, he's out of his element. Thankfully, he has assistance from some of the other servants, including the prickly Miss Brown. Jeanne Brown is lady's maid to the Duchess of Bartlett. She loves working with the children but can't abide Robert's lofty attitude toward them. She'd love to put him in his place but she needs her job. When the duchess decides to hold the school's Christmas party in her home, Robert and Jeanne must put aside their differences and work together to ensure that the holiday celebration goes off without a hitch. Will they be able to endure the partnership, or will their sparks ignite something more?
