

A Knight of the Seven Kingdoms (A Song of Ice and Fire)

NEW YORK TIMES BESTSELLER AND NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LOS ANGELES TIMES AND BUZZFEED

Taking place nearly a century before the events of *A Game of Thrones*, *A Knight of the Seven Kingdoms* compiles the first three official prequel novellas to George R. R. Martin's ongoing masterwork, *A Song of Ice and Fire*. These never-before-collected adventures recount an age when the Targaryen line still holds the Iron Throne, and the memory of the last dragon has not yet passed from living consciousness. Before Tyrion Lannister and Podrick Payne, there was Dunk and Egg. A young, naïve but ultimately courageous hedge knight, Ser Duncan the Tall towers above his rivals in stature if not experience. Tagging along is his diminutive squire, a boy called Egg whose true name is hidden from all he and Dunk encounter. Though more improbable heroes may not be found in all of Westeros, great destinies lay ahead for these two ... as do powerful foes, royal intrigue, and outrageous exploits. Featuring more than 160 all-new illustrations by Gary Gianni, *A Knight of the Seven Kingdoms* is a must-have collection that proves chivalry isn't dead yet. Praise for *A Knight of the Seven Kingdoms*

Readers who already love Martin and his ability to bring visceral human drama out of any story will be thrilled to find this trilogy brought together and

injected with extra life.â€•â€”Booklist **Â** **â€œ**The real reason to check out this collection is that itâ€™s simply great storytelling. Martin crafts a living, breathing world in a way few authors can... . [Gianniâ€™s illustrations] really bring the events of the novellas to life in beautiful fashion.â€•â€”Tech Times
