

All Good Things (Webster Grove Book 5)

After five years of working side-by-side in Paris with one of the most esteemed fashion designers in the industry, twenty-three-year-old Steph Ghijk has packed her bags and returned to the States. Upon her arrival in the familiar town of Webster Grove, Steph takes on a directing position for the high school drama production – putting her in very close quarters with a man who hasn’t quite forgiven her for her long absence. Unable to choose between her heart and her head, Steph is taking each day at a time and hoping the love she once had will be the final love of her life.
