

The Longest Journey: Southeast Asians and the Pilgrimage to Mecca

The pilgrimage to Mecca, or Hajj, has been a yearly phenomenon of great importance in Muslim lands for well over one thousand years. Each year, millions of pilgrims from throughout the Dar al-Islam, or Islamic world, stretching from Morocco east to Indonesia, make the trip to Mecca as one of the five pillars of their faith. By the end of the nineteenth century, and the beginning of the twentieth, fully half of all pilgrims making the journey in any given year could come from Southeast Asia. The Longest Journey, spanning eleven modern nation-states and seven centuries, is the first book to offer a history of the Hajj from one of Islam's largest and most important regions.
