

Manual for building your directing organization out of the role division.

Every company stands for decisions of outsourcing, or working together with other companies, or networking or a combination of these. To get in control and stay in control, your way of working must adjust this flexible organization form. The directing model is the most effective way to organize a flexible organization. In this book you read all about this way of organizing. The role division in the organization is the base on which the author Rob van Veen describes in his model how to create a directing model for every type of organization.
