

# Gods Appointed Times New Edition: A Practical Guide for Understanding and Celebrating the Biblical Holidays

The biblical holy days are not just for Jews. Christians, too, can receive the blessing of these glorious days, the greatest object lessons in the Bible. God gave each day to teach his people about him and his relationship to them. From the Sabbath, which pictures eternity, to the popular holiday, Hanukkah, mentioned by name only in the gospel of John, the special times were set apart to bless the people of God. In this book, Barney Kasdan, leader of Kehilat Ariel of San Diego, one of the largest Messianic congregations in the world, explains every holy day described in Scripture. He teaches about the major and minor holy days, ever mindful that he is writing to both Jews and Christians. Beginning with the Sabbath, the first holy day revealed in Scripture, he writes about Passover, Firstfruits, Pentecost, Trumpets, the Day of Atonement, The Feast of Tabernacles, Hanukkah the Festival of Dedication, and Purim, the special day given in the time of Queen Esther. Each chapter offers historical background, traditional Jewish observance, relevance to the New Testament, prophetic significance, and a practical guide for believers, including recipes, songs, and crafts. There are other books on the subject of the Feasts of Israel, but this one goes beyond them all. It is written by a Messianic Jew, a Jew who trusts Yeshua.
